CUNDALL MANOR SCHOOL

Cundall Manor School

Scholarship Morning - Saturday 14th November

Scholarships

A scholarship is an award for excellence in academic study, the arts or sport. A child may apply for more than one scholarship (e.g. academic and music and art). We ask that if a child is looking to apply for more than one scholarship, that they rank the order of preference. The range of scholarships at Cundall Manor include: all rounder, academic, sport, drama, art and music. Each scholarship has its own assessments and entry criteria.

What could a scholarship to Cundall Manor mean to you?

- Opportunities to learn, study and play alongside like-minded pupils
- An individually tailored programme of teaching and practise to ensure your child reaches their full potential
- Opportunities to sit relevant exams & to enter local festivals and competitions
- Opportunities to join any of the school's various enrichment opportunities
- Frequent opportunities to develop added value skills such as leadership and communication
- Reduction in school fees.

Why do we offer scholarships?

Our aim is to ensure every child is given every opportunity to find their own talent and to reach their full potential, in whatever field that may be and whatever their family circumstances.

How are scholarships awarded?

Scholarships are available for pupils entering Year 4 and above (up to Year 9). Scholarships will be assessed by the subject area Director. The Governors' Awards Committee will make the final decision on the awarding of scholarships. Their decision is final.

Why Cundall Manor School?
