SAFER EMPLOYMENT PRACTICES

Cundall Manor School follows the Government's recommendations for the safer recruitment and employment of staff who work with children and acts at all times in compliance with the Independent School Standards Regulations. One member of the selection panel for staff appointments must have completed either the on-line or face-to-face safer recruitment training.

In addition to carrying out safe recruitment procedures as set out in the DfE's guidance 'Keeping Children Safe in Education', members of the teaching and non-teaching staff at the school including part-time staff, temporary and supply staff, and visiting staff, such as musicians and sports coaches are subject to the necessary statutory child protection checks before starting work. All governors, volunteers, contractors working regularly during term-time are also subject to the relevant statutory checks. Confirmation is obtained that appropriate child protection checks and procedures apply to any staff employed by another organisation and working with the school's

pupils at school or on another site. Any other visitors to site are accompanied at all times. Our policies are reviewed by governors annually, generally at the meeting following the NYSCP Annual Audit. Please refer to the school's Recruitment Policy for further details.
